As we tend your loved one's needs, we want you to feel confident in knowing what **you** can do—**as caregiver and family**—to give your loved one the best quality of life possible, now and ahead.

For Caregivers and Family of _____ **Date** _____

Check video titles that relate to your loved one's needs. Write notes from your conversations with team members, or thought you want to talk about at a next visit or call. Share these videos with other family and friends who provide direct care, or who want to understand what's happening (especially long distance family)!
